

The Neuro Pioneer Hub – Corporate Sponsorship Programme

Invest in talent. Strengthen your business. Lead inclusive change.

Your Contribution: RM 2,000

One-off sponsorship per intern placement. That is less than RM 670 per month for three months of dedicated intern support.

What You Receive

1

Phase 1: 3-Month Internship

FREE – A trained intern placed in your organisation, skilled in web development, creative design, or AI. Fully supported by The Neuro Pioneer Hub with coaching and workplace guidance.

2

Phase 2: 3-Month Extension

RM 500/month stipend – Option to extend for a further three months with continued Hub support. The intern deepens their contribution while you benefit from growing capability.

3

Phase 3: Employment

Your terms – Offer full-time or fixed-term employment to a proven individual you already know and trust, with a track record in your business.

Intern Specialisms

Web Development

Build and maintain websites, internal tools, and digital platforms.

Creative Design

Visual content, branding assets, social media graphics, and marketing materials.

Artificial Intelligence

Data analysis, automation workflows, AI-assisted content and research.

Neurodivergent Talent – The Opportunity:

Three phases of structured support, from placement through to potential full employment – all beginning with a single RM 2,000 contribution.

The Business Case for Sponsorship

Skilled Resource at Minimal Cost

Three months of dedicated intern support for a single RM 2,000 contribution, with the option to extend.

ESG and CSR Outcomes

Measurable social impact under the Social pillar of ESG, supporting your sustainability disclosures & reporting.

Malaysia is home to over 10 million neurodivergent individuals with exceptional strengths in creativity, systems thinking, problem-solving and digital skills. The Neuro Pioneer Hub connects this untapped talent with forward-thinking businesses through a structured programme that delivers real value to sponsors while transforming lives.

Talent Pipeline

A low-risk route to identifying and hiring proven talent you have already worked with and trust.

National Policy Alignment

Directly supports MYDigital, the Twelfth Malaysia Plan, and the Shared Prosperity Vision 2030.

Where Your RM 2,000 Goes

Full transparency on how your contribution is used.

The Bigger Picture

The Neuro Pioneer Hub Accelerator is a **20-week programme** blending global best practice with Malaysian cultural relevance. It moves participants through **self-discovery and confidence building**, digital and workplace skills, industry placements with coaching and workplace buddies, and a **public showcase of their strengths**. Every intern placed with a sponsor has completed this journey and arrives ready to contribute.
